

chargeCartHeartbeatMockCommand

```
graph LR; A[chargeCartHeartbeatMockCommand] --> B[CAN_Msg_ChargeCart_Heartbeat_Callback]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is white with a black border and contains the text 'chargeCartHeartbeatMockCommand'. A blue arrow points from the right side of this box to the left side of the right box. The right box is gray with a black border and contains the text 'CAN_Msg_ChargeCart_Heartbeat_Callback'.
