

adc_readbyte

```
graph LR; A[adc_readbyte] --> B[adc_spi_tx_rx];
```

A diagram showing a call from the function `adc_readbyte` to the function `adc_spi_tx_rx`. The `adc_readbyte` box is shaded gray, and the `adc_spi_tx_rx` box is white. A blue arrow points from the right side of the `adc_readbyte` box to the left side of the `adc_spi_tx_rx` box.

adc_spi_tx_rx
